le thing and the extension or successful colon over the territory was a separate of distinct thing. He agreed with Mr. eller that the title of the lightnus to the and was substantially a fee simple title.

Teller that the rile of the Indians to the land was substantially a fee simple title. They could not be divested of it in any other way than by their own consent. Mr. Tell supported the amendment because heckploght there ought to be a government offer No Man's Land. He was stonished at the suggestion of Mr. Platt because he (Teller) supposed if there was anything thoroughly settled, there was not legislative body which could question the right of the property. granted roay enty. He realized that the lands held by the He realized that the lands held by the

herokee Indians would have become the over of white men, but the Indians ould have so be paid what the lands are could be sold to morrow in, bulk at \$5 an sere. What right, The asked, had the sere. What right, The asked, had the loried States to say that the Indians should part with them at a price less than their raige. If the Government could not short to pay a fair price and give away the land they should buy to from the Indians and sell it of the actients.

The Senate took up the educational bill, and Mr. Blair continued his opening speech in support of the incessive.

Mrt Fyse asked Mr. Blair it Texas, with a surplus of over \$3,000,000, and \$0,000,000 cores of pubble lands, making, a grand total of \$75,000,000 that could be used for durantonal purposes, required any help

educational purposes, required any help from the general Government to educate as children. Br. Blur decia ed his disbelief in Mr.

Mr. Shir decisied the disbetter in our frye statement and said be did not represent any thing like the actual condition of Texas. He did not know what Texas taght not do, but he did know that not dalt of the children of Texas attended school

school.
Without concluding his opening sperch
Jr. Blar yielded to a motion to proceed
to executive business. After a season for
the purpose the Seaste, at 5.10, ad-

The journal of yesterday's procedings outsing the yes, and may won upon alich the Speake' counted a quorum of emocras who would not vote was read; he Democrats by their spience refused to equivoce in its approval and a roll call was rendered occasionally. It was approved; as 130, mays 1, the Speaker counting a count.

Mr. Canon, of Hillions, called up for asideration the proposed code of rules. I de offered a resolution providing that eral debate shell close up at one o'clock norrow, and thus, after debate, under five minute rule, the previous question to considered as ordered at 4 o'clock

resy and Flower.

Mr Cannon drawanded the previous restan, but the House would not estain as demand and rejected it by a vote of \$6.0149.

Hr. Springer immediately dialmed the solution of but Mr. Camon declined to yield h. clife proposed either to lose the previous mention or at least get some inflication at it was time this year the gentlemen on the liber aids were willing to close the debate. It demand the year they gentlemen on the life seamed the year and mays on his demand for the previous question but not a millivent cumber areas to saforce this demand, and amid applaine from the Democratic side the Speaker se smeathfuld.

Mr. Camon them yielded the Boss, re-

a creared.

This resolution was adopted without observed and special control of the Cappon good anomaly special control line, beginning and and control line, beginning and and control line, beginning and special control line, beginning and special control line of magnification and special control line of the contro

The County of Billion

A county of the property of the propert would not be ready to say that if that were the position the Cherokee nation occupied, the Loized States is justified in abrogating the provisions of the treaty and taking the leaf that the characteristic constitutional ratings. The Republicans of the treaty and taking the leaf that the characteristic constitutional ratings. The Republicans of the treaty and taking the leaf that the characteristic constitutional ratings. The Republicans of the the Speaker. To-day Mr. Reed represented more clearly and fairly then any other matches had been made in the sound how by legislative active, we are to direct the Cherokee. Day in the characteristic in the position of the the of the Cherokee but helicved in their lights to the Cherokee but helicved in their lights to the Cherokee outlet. At the same since he wanted to say that all made in the possession or because of the fledians, would have the constitutional ratings. The Republicans was and sirely then any other many that can be constitutional ratings. The Republicans of the constitutional ratings. The Republicans would not constitutional ratings. The Rect represented more ratings.

ed the freasity from the Democratic ser-genut-a-rios.

Mr. Hatch replied that he was one of the victims, but if the gentleman from Kanas did not know any better than to assert by direction or inclineation that any man on the Democratic side of the Chamber was responsible for the bad action on the part of the subordinate in the sergeant-at-arms office, he had better go back to Kanasa, and stay there the balance of his material life.

and stay there the balance of his natural life.

Mr. McAdoc, of New Jersey, antraccized the rules as giving the Speaker the right to judge the conscience of a member and to impage his personal monor as well as to restrict his personal rights!

Pending farther debate the House is he-cordance with the resolution offered by Mr. Springer, at 5 took a recess and to-morrow. The debate on the rules will continue to morrow. At 5 the House will will take a recess until S, when the discussion on the Democratic side will be closer, by Mr. Carlisle and Mr. Springer.
